**DREAMHOUSE**

Henry David Thoreau had only three chairs in his house: "One for solitude, two for friendship, three for society." But the P. J. Nee Company's Dreamhouse chairs combine the comfort of sweet solitude, the charm of warm friendships, with the distinctive beauty of the fashionable world. The smart modern scoop seat chair illustrated above is meticulously tailored in gay modern stripes or in plain colored fabrics and is typical of the many outstanding values to be found at all three Nee stores. Here is modern beauty with the traditional comfort of spring seat construction. **32.50**
